

Job Opportunity

Early Years & Outreach Worker

Scale 2 , Spinal Points 13-15 pro rata (£17,080 - £17,755)

26 hours/week

- To deliver services in the community which promote child development, and to undertake some home visits.
- Provide 'Stay and Play' sessions for target families that promote child development.
- Promote reading with babies and toddlers, and provide Book Start reading groups and support the delivery of Baby Club activities to meet the health and development needs of children and families who attend.

Experience of developing positive relationships with children under 5 and their parents/carers is essential along with knowledge of the principles for early year's provision which promote child development within the Early Years Foundation Stage (EYFS) framework. Minimum NVQ 3 Children's Care Learning & Development or equivalent is also required.

The Springfield Project and St Paul's Community Development Trust are working together to deliver early years services in the Hall Green District.
